GOVERNORS

The Governors, with the Headteacher and Senior Leadership Team are responsible for the strategic development of the school – always striving to make sure that the children receive the best possible education.

The Governing Body is made up of people with different skills and backgrounds – parents, representatives from Local Government and people from the local community who have a genuine interest in the education and well-being of children.

We can be contacted through the school office or by emailing enquiries@birleycc.sheffield.sch.uk

The current Governing Body is made up as follows:
