Dear Parents/Carers

Proposed Conversion to Academy Status

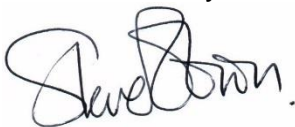

I am writing to confirm that the consultation period regarding our proposed conversion to academy status closed on 11th November 2016.

I would like to thank everyone who participated in the process for their comments, questions and contributions. A summary of the responses will be shared in due course.

The general feeling from the consultation meetings across the family of schools has been positive and supportive of the decision to convert to become an academy. Whilst there have been some questions during the consultation period, the issues raised have not led the Governors or myself to change the recommendation that we should join L.E.A.D Academy Trust. The family of schools will now move forward to continue with the application for conversion to academy with a proposed conversion date of 1st February 2017.

Further information and updates will be shared with you over the next few months as it becomes available. However, if you have any questions in the meantime, please do not hesitate to contact me.

Yours sincerely

STEVE ROBINSON
